

With **our** noun **system**,
when **we** talk about
things, **we** can use
nouns or **pronouns** with **adjectives**
to say what **we** are talking about!

Roberto	Painted a boat.
Emily	wrote a poem.
She	fed a puppy.
The red hat	blew away in the wind.
Green bugs	munched on the flower.

The things we say (our ideas)
are always about
a noun or a pronoun.

Emily

She

The spotted duck

wrote poems.

wrote poems.

munched a cracker.

We could say that every one of **our** ideas,
every sentence, has **TWO SIDES**:

what **it** is
about

what **we** are
saying about **it**
