

Oh, do you want to see something?
You can have many adjectives all
modifying the same noun!

Fat, big, white, grumpy, sleepy **ducks**
were loud and hungry.

There are seven adjectives modifying **duck**!
Do you see all seven?

So anyway, this hungry pelican flew along the shore one morning,
looking into the water for a tasty adjective to eat.

Look in the water, too, and see if you can find a tasty adjective for the hungry pelican.
