

7.

Another important
kind of word is the
preposition.

Prepositions show
how TWO things
are related
in time or space
or many other ways.

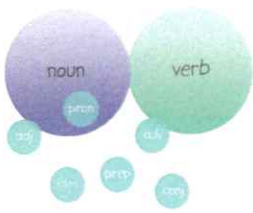

The wood DUCK is ON the GRASS.

1

prep

2

Each preposition shows a relationship
between two words!

The **bird** **was** **in** the shallow **water**.

The **frog** **was** **under** the **table**.

The **rain** **came** **after** the **wind**.

The **dog** **was** **like** a **lion**.
