

Level Two: The Parts of the Sentence

So, how do the eight kinds of words
work together?

Usually the noun, pronoun, and adjective
say what we are talking about,
and the verb, adverb, preposition,
conjunction, and interjection
say something about it.
This complete, two-part idea
is called a *SENTENCE*.

Every sentence has two parts:
what it is about, called the *SUBJECT*,
and what we say about the subject,
called the *PREDICATE*.

These two parts must make
a complete thought,
or else it is not a sentence
but only a sentence *fragment*.
